

SHEATHES TEE Ultrasound Probe Covers

For Transesophageal Echocardiography Procedures

Application Benefits:

- Minimizes insertion profile and artifacts
- Latex-Free custom blended polyurethane for extra lubricity (slip) to reduce gag response
- Prevents transducer deterioration from stomach acids

Product Ease of Use Features:

- Prevents cross contamination for safety of patients and staff
- Protects costly TEE Ultrasound transducer
- Saves up to 50% of time spent cleaning/disinfecting
- Applicator for quick installation & easy gel fill
